

PG02 - skid plate and pipe guard

KTM/Husqvarna EXC TE 250/300 2T TPI/carburetor 2017-2019

- Protects the pipe, engine, the starter and caps
- Ideally suited and tested
- Light, tailored to the shape of the diffuser and the frame
- Does not accumulate mud and stones
- Includes everything to install: holders, screws and washers
- Made from hard aluminum PA11 / AlMg3, thickness 4 mm
- All welds double sided
- Six assembly points
- Large drain hole at the lowest point under the pipe

PLEASE USE THREAD GLUE FOR ALL SCREWS!
